Applications for September 2021 are now available!

Please click on the Apply tab for specific information. Below, current and former students as well as staff share their feelings on the benefits of the MaST program.

The MaST Advantage

Please join us for our live Questions and Answers session on Thursday, November 12, starting at 7.00pm. As spaces are limited in the Zoom meet, please share a device as a family to allow as many participants as possible. If attendance is at the limit, please remember I am always happy to answer you questions by email as well at deryk.jackson@tdsb.on.ca
