Hello prospective MaST students! We are currently organising the application package for this year with a goal to have that out to you by late October or very early November. We will also be hosting a virtual open house at 19h00 on Wednesday, November 3, 2021.

Zoom Link for our open house: <https://tdsb-ca.zoom.us/s/96713263424>

Application packages should be ready to go sometime next week(week of October 25th), just waiting on the optional attendance policy and dates from the TDSB for this year.

Should you have any program questions in the meantime, feel free to email me at atderyk.jackson@tdsb.on.ca
